Hello Doug,
I am writing you in opposition to the apartment building being built in Rivers Crossing Subdivision. I do understand that the land has been vacant for many years and deserves to have something built there. My largest concern is the traffic flow onto Rapids Trail. River Rd is already a very dangerous stretch of road with all the traffic from Rivers Crossing And West High School. I would have much less of an issue with the apartment being built there if the entrance and exit for it went to Saylesville Rd only.

Bryan Keup
