Dear Mr. Koehler

I live in district 12 and I'm writing to you to express my concern and opposition for the proposed zoning change for the land located on Saylesville and River Road. My family built in this area to enjoy a rural lifestyle while still living and supporting Waukesha City. This will be taken away with the proposed zoning change to RM-3. Please understand that I am NOT against progress or change. I have no problem with realistic improvements to our city. I am opposed to a 40' structure like the apartment complex being considered. That monstrosity will change the rural setting forever! Both the height and land use of this possible structure just doesn't fit in this area. Thank you for listening and I hope you share my concerns of the proposed zoning change at the February 17th meeting.

Sincerely,
Dennis Skurulsky
