As a resident who moved into the River's Crossings neighborhood just over eight years ago, I am COMPLETELY against the potential rezoning to allow more apartments.

River Road is busy enough, we do not need to add more speeding cars on River Road. The increase in traffic will make it even more difficult for pedestrian traffic to cross from one side of River Road to the other - stop signs would be required at all intersections on the road.

I don't want more noise, more traffic etc. We bought our condominium specifically because of the neighborhood feel and acceptable amount of traffic on the road - we DO NOT want apartments on top of us!

Please block this. I wish I could be there in person to object so I am asking if you would consider this as my input as a resident whose windows look directly onto River Road.

Thank you.
