Gentlemen

I am vehemently opposed to this project. My family built in this area to enjoy a rural lifestyle while still living and supporting the City of Waukesha. This will be taken away with the proposed zoning change to RM-3. Please understand I am not against progress or change, and I have no problem with realistic improvements to our city. I am, however opposed to a 40' structure like the apartment complex being considered. That monstrosity will change our rural setting forever! Both the height and land use of this possible structure just doesn't fit in this area. We built our home 22 years ago in River's Crossing with the intention of it being our forever home, but if this moves forward we will be looking to move out of the city and I don't believe we will be the only ones.

Thank you

Wendy Runge
