Dear Mr. Shawn Reilly, Frank McElderry and Doug Koehler,

I would like to go on record and voice my **OPPOSITION** to the Cardinal Capital Management, Inc. proposal for an apartment project on 4.8 acres of land south of the Saylesville Road and River Road intersection. There are already apartments in the Rivers Crossing Subdivision. The additional traffic is concerning and the only entrance off of Rapids Trail would cause safety issues with entering and exiting the subdivision not to mention the existing traffic from the High School. There is no need for another complex especially with the large new one being built less than a mile away on 59 across from the fire station.

Please do not allow this to happen.

Thank you

Scott Chalmers
