Dear Council Members and Mayor Reilly,

Please vote “NO” on the land use plan amendment for the intersection of Saylesville Road and River Road. The proposed apartment complex does not fit the rural aesthetics of the area. The sheer magnitude of the edifice, especially at 3 stories, would be nothing but an eyesore.

Another concern is the traffic flow on Saylesville Rd, River Rd and Rapids Trail. The potential of another 74+ vehicles, especially during the rush hour, will further negatively impact the flow of traffic as it is already dangerously congested during the start and end times at Waukesha West.

If anything, a change in zoning from commercial to a low density residential would be a welcomed addition to the area.

Thank you for your time.

Sincerely,

Jonathan Cox
