The architecture of this complex looks very cold and unwelcoming which is in complete contrast to the houses, condos and apartments in Rivers Crossing. This is not the place to build a huge complex. The traffic will be terribly increased and we already have issues with the high school traffic and fender benders before and after school. Why is my city allowing this to happen? I thought it was zoned for business? I strongly oppose this land being used for a

huge and homely apartment complex. How about a coffee shop or some condos instead? I pay a HUGE amount of taxes for my tiny lot in this neighborhood and my voice needs to be heard regarding this matter. I ask that my letter be read during the meeting for this building.
