Subject:
Review and act on Contract Change Order No. 2 with H & H Civil Construction LLC for the Artificial Turf Installation at Mindiola Park project.

Details:

The Contract Change Order for additional work was completed by H & H Civil Construction LLC at the request of the City. The difference of volume between the existing surface of the clay cap and the proposed plan grades was unknown and was estimated for the bid. The clay cap ended up being lower in areas than expected and additional fill had to be brought in to build the field to a standard level playing surface. Because the soccer field is constructed on a landfill, which prohibits grading into the clay cap, the only alternative was to bring in the additional fill needed.
