Common Council Item Number: Click here to enter text.	Date: 12/1/2015
Submitted By: Eric Payne, District 2 Alderman	City Administrator Approval: Kevin Lahner, City Administrator KL
Finance Department Review: Rich Abbott, Finance Director N/A	City Attorney's Office Review: Brian Running, City Attorney BR
Subject: Consider resolution voicing support for keeping the Moor Downs Golf Course in its current condition and not using the property for future expansion of Waukesha County's office or jail facilities.	

Details:
This item seeks to express the City Council's support of the Moor Downs Golf Course. The property is adjacent to several county facilities, including the County Courthouse and several administrative offices. Over the years, Waukesha County has considered different expansion options, and some citizens are concerned that Moor Downs could be impacted. The Common Council established Moor Downs as a Historical Landmark in 2001, and it is located on the National Registry of Historic Places. This resolution would express the City Council's desire to retain the golf course and indicate to the county that any future building proposals should not be considered for the golf course footprint.

Options & Alternatives:
The Common Council could adopt this resolution expressing their support for retaining the golf course. Other versions of the resolution could be considered.

Financial Remarks:
There are no financial implications for this resolution.

Executive Recommendation:
Recommend approval of the proposed resolution voicing support for keeping the Moor Downs Golf Course in its current condition and not using the property for future expansion of Waukesha County's office or jail facilities.
