Subject: Review and act on the request from David Hamm for a one-time sewer credit for 1105 Belmont Drive.	

Details: The City of Waukesha Municipal Code Chapter 29 requires sewer billing to be based upon the measured volume of water consumed and allows for a one-time unmetered credit. According to Chapter 29.11(h)(4) titled One-Time Unmetered Credit, users without credit meters may request an adjustment of sewer service charges for special circumstances such as filling of a swimming pool or establishing a new lawn. David Hamm, on August 17, 2023, requested a credit for sewer service charges for July 2023 for a faulty hose bib and hose that leaked into the yard. This outdoor water use was not treated by the Clean Water Plant. For comparison and calculation of a refund, the average water usage was compared with the period of heavy usage. High Usage: 16,000 gallons Average Usage: 2,083 gallons Estimated Additional Usage: 13,917 gallons Calculated Refund (2023 - \$10.48/1000 gal): \$145.85

Options & Alternatives: To not approve the one-time sewer credit or approve another dollar amount.
