Subject: Review and act on the request from Patricia Wozniak for a one-time sewer credit for 1218 Mohican Trail.	

Details: The City of Waukesha Municipal Code Chapter 29 requires sewer billing to be based upon the measured volume of water consumed and allows for a one-time unmetered credit. According to Chapter 29.11(h)(4) titled One-Time Unmetered Credit, users without credit meters may request an adjustment of sewer service charges for special circumstances such as such as the filling of a swimming pool or the sprinkling of new landscape. Patricia Wozniak, on September 8, 2023, requested a credit for sewer service charges for the time period of June to October of 2023. During this period, a new lawn was installed that required extensive watering. For comparison and calculation of a refund, the average water usage was compared with the period of heavy usage. High Usage: 126,600 gallons Average Usage: 5,715 gallons Estimated Additional Usage: 120,885 gallons Calculated Refund (2023 - \$10.48 /1000 gal): \$1,266.87

Options & Alternatives: To not approve the one-time sewer credit or approve another dollar amount.
