8. National Objective (check all that apply):
  - Benefiting low – and moderate – income persons
  - Preventing or eliminating slums or blight
  - Meeting other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.
9. Check One:
  - New Project
  - Continuing previously funded project
10. Provide a brief description of your experience in managing a similar project.

The City of Waukesha is the largest municipality in the County of Waukesha and has been using CDBG funds for more than 20 years. The Engineering Department manages all construction projects for the City, therefore has the experience needed to continue managing CDBG projects.
11. Describe the role specific staff will have in this project. Who will be responsible for managing the project, reporting to Community Development, preparing invoices, etc.?

Katie Jelacic will oversee the projects. The Park Rec department might inspect the Grandview Park Playground, but Katie would be the project manager.

12. Provide a concise description of the proposed project.

1. First Priority: The intersection of E. Broadway, N. Hartwell Ave, and Lincoln Ave has been a challenge for Pedestrians, as well as drivers to navigate thru the intersection safely. The City proposes to enhance the pedestrian facilities in the intersection. New ped buttons and pedestrian signal heads with upgraded curb ramps will be installed. Cost of this is \$83,000
2. Grandview Park Playground will have a new resilient surface installed. The playground is approx. 4,000 sq. ft. based on \$12/sq. ft. cost would be \$48,000.

If the proposed project is a rehabilitation / ADA / historic rehabilitation of a facility or business, please answer the following:

13. Address of Facility: N/A

14. Year it was built N/A

15. Is the property on a local or national list and/or registered as a historic property?

- Yes                       No                       Don't Know

16. Select how your project will serve Low and Moderate Income People (Choose one if applicable):

Benefit to LMI **individuals** (at least 51% of total beneficiaries of program must be LMI and income information must be gathered from all participants)

**Presumed Benefit** (all individuals served in the program qualify as low income because of the type of population served, i.e.: Elderly, Severely Disabled Adults , Abused Children, Battered Spouses, Homeless Persons, Illiterate Adults , Persons with AIDS, Migrant Farm Workers. Income information does not have to be collected.)

Benefit to an **area** that is primarily residential and is located in an eligible census tract (at least 30.34% of residents are LMI). See instructions for a list of eligible census tracts.) Provide list of census tracts:

## Appendix A: Results of Prior Year Projects

**20.** Was your department able to spend the CDBG allocation awarded within the calendar year? (Provide explanation for any extensions into the next year for 2018)

The 2018 project for 2-Dumpster Enclosures were allocated within the calendar year. The project for the ADA curb ramps came in higher than the estimate, therefore had to remove one of the areas that called for the ADA curb ramp upgrade, this money has been carried over for reprogramming of the funds.

**21.** Has your department had any CDBG funds reprogrammed (taken back) by the CDBG Board? (Explain for 2018)

No
