| Subject: Approve installation of a sign that says "Right Lane Must Turn Right Except for Transit Buses" on westbound Abbott Drive at Parklawn Drive. | |

Details:

Referral was made by Public Works and Transit. The Abbott Drive westbound approach to Parklawn has two lanes. The right lane has been marked to be a Right Turn only. Transit drivers pull over to the bus stop in the right turn only lane, but need to go straight onto Abbott Drive west of Parklawn. Transit drivers have noticed that some motorist use the right lane and then go straight. The requested sign will inform motorist that the right lane is for right turn only traffic but will allow transit busses to go straight from the right lane to continue on their route. The committee reviewed this item and unanimously approved it.

Options & Alternatives:

Discuss whether to approve this request.

Financial Remarks:

The cost of installing this lane use sign expected to be \$100 and would be covered by the 2016 B&G Sign Budget (3310.54140).

Executive Action:

The resolution for approving this sign installation will need to be executed by the Mayor and Clerk after the Council Meeting.

Committee Recommendation:

The Buildings and Grounds Committee approved this item at their February 15, 2016 meeting. This item will be under the March 1, 2016 Common Council consent agenda.
