MANUFACTURING

Transforming small property spaces into revenue.

## What is **BCubed**?

A BIGGBY COFFEE **BCubed** is 349 square feet of drive-thru commerce that can fit on a small area of a larger property. It is a superior quality, standalone, sectional drive-thru building. It is a capital investment that is expandable and easy to relocate. Each BIGGBY **BCubed** comes fully equipped with all required equipment (with the exception of the POS and Credit Processing systems). **BCubed** buildings are "plug and play" as they come pre-plumbed and pre-wired.

## Put Your Property to Work with a **BCubed** Building.

Turn under-utilized property or parking space into an income source with a BIGGBY COFFEE **BCubed**. An ideal site has a minimum of 21,000 square feet of clear space, ingress and egress from a major street, access to utilities within 600 feet and a zoning classification that allows for a drive-thru business.
