Subject: Review and Discuss CIP Requests: Permitting and Inspection Software Replacement	

Details:
The current system is an on-premise solution, and the vendor will no longer support on-premise, so we'll have to move to their SaaS solution. There is a cost of the migration, so we are taking this opportunity to see what other solutions are available. We did an RFI in 2022, and used the average of the highest and lowest costs to formulate the .
