[Ordinance-Repeal 11.40.pdf](#)

City Attorney Brian Running spoke. Our current ordinance prohibits panhandling near ATM's or in a way that is intimidating; our ordinance is based on the communication between the panhandler and the panhandlee. A recent court decision states that you cannot discriminate against certain communication based on its content; this would discriminate against the free speech of the panhandler. We have to act when court decisions make our ordinances unconstitutional. It is the recommendation of the CA's office to repeal 11.40. Running said we are having an increase in panhandling in our downtown area; so it is unfortunate timing. We may revisit the issue if there is an increase after the repealing of this ordinance. They may be able to address the issue in a content neutral way. Nine citations were issued last year; none were paid. Johnson asked Lt. Habanek if they have seen alot of panhandling. He said they have not seen alot; they deal more with public intoxication, a problem that they have several officers working on. The fine for panhandling is currently \$187.

A motion was made by Chairperson Johnson, seconded by Manion, to repeal sec. 11.40, Panhandling. The motion carried by the following vote:

Aye: 4 - Manion, Johnson, Rodriguez and Lemke

Absent: 1 - Perry

6. Communications
