Subject: Board of Review request for budget amendment to allocate money for outside counsel.	

<p>Details:</p> <p>The Board of review has been advised that the budget for outside counsel has been depleted, and that for any additional bills from their outside counsel to be paid, a request for a budget amendment would have to be made. For unknown reasons, they have refused to do so. This item was placed on the Finance agenda because the Board of Review has scheduled a meeting for November 19, prior to this Finance Committee meeting, and this will give the Board of review an opportunity to make a budget-amendment request if it chooses to do so.</p>
<p>Options & Alternatives:</p>
<p>Financial Remarks:</p> <p>If the Board of Review makes a request, any amendment would allocate funds from contingency to 1610 52120, Legal Services. There is no requested amount.</p>
<p>Executive Recommendation:</p> <p>If a request is made, evaluate in the usual manner.</p>
