Subject: Please change the parking time for parking spots at 919 N. Barstow Street from 2-hour parking to ½ hour parking.	

Details:
This item was referred by Ald. Miller. In a previous B&G meeting on 8-3-2020, the committee approved the two-hour parking zone as it exists today. The parking zone is now requested to be changed back to 30-minute parking.

This item was withdrawn by Ald. Miller at the February 1, 2021 Buildings & Grounds committee meeting. Ald. Miller was going to talk with the owner of discount liquor about other options for parking in this area. Since that meeting, Ald. Miller indicated that, after discussions with the owner, no other viable options will work since deliveries are made through out the day.

Ald. Miller would like to address the committee on this topic and request to approve this item. The Department of Public Works does not have any issues with this item.

Options & Alternatives:
None

Financial Remarks:
The cost for modifying the signs to read 30-minute parking would be around \$100 and covered by the 2021 Building and Grounds Sign Budget (3310.54140).

Executive Recommendation:
The Department of Public Works recommends approval.
