RE: Development of Airport Lots 612 and 614 Northview Road

To whom it may concern,

Mike Armbruster executed a lease option agreement with Waukesha County for lots 612 and 614 Northview Road. These lots are available for development. The agreement allows Mr. Armbruster six months to develop plans and negotiate a full land lease agreement with Waukesha County.

Please contact me directly if you have any questions or require additional information.
