Summary of Proposed Service Changes Effective 5/15/17

Route 1 – Outbound (to Brookfield Square). Continue to operate into Westbrook Shopping Center, exit through southern exit onto E. Moreland Blvd., then east on E. Moreland to Parklawn Dr., north on Parklawn Dr. to Abbott Dr. and then resume current routing.

Route 1 -Inbound (to the Transit Center). Eliminate entering Westbrook from Heritage Lane and continue north on Springdale Dr.

Route 2 -Outbound (To Target on Kossow Rd.)-Eliminate service into Westbrook in this direction.

Route 3/15- Return inbound routing to:
East Ave. to E. Sunset Drive, E. Sunset Drive to Chippewa Dr via Meijer., Chippewa Dr. to Fleetfoot Dr., Fleetfoot Dr. to Racine Ave. and Racine Ave. to its current routing.

Route 8

Elimination of the bus stop on the east side on Washington Ave. just north of Summit Ave. and reinstate the bus stop at Washington Ave. at Lemira Ave. The stop is too close to the intersection and when the bus turns off of Summit to Washington and picks up/drops off a passenger, the tail of the bus can be in traffic on Washington Ave. This stop is not accessible. The stop at Washington Ave. at Lemira Ave. is just one block to the north and a concrete pad exists so the stop is accessible. This was a recommendation from the Waukesha Metro Safety Committee and Transit Management concurs with the recommendation.

Bus Stops Changes

Proposed for Elimination

- Route 1 Heritage Lane(south side) opposite Stein’s Garden Center.
- Route 2 Arcadian Ave. at East Ave. (both sides of the street)
- Route 8 Washington Ave. at Summit Ave. (east side of street)

Proposed for Reinstatement

- Route 8 Washington Ave. at Lemira Ave. (east side of street)
