Subject: Establish No Parking Any Time on the south side of Wilmont Drive from the driveway of 111 Wilmont Drive to 150 feet west.	

Details:
This referral was made by Ald. Manion. Business owner on 200 Wilmont Drive is having issues with semi trucks not being able to back into the driveway for deliveries due to vehicles parking on the south side of Wilmont Drive. The request is to have a 150 foot No Parking zone established so a semi truck can safely back up and into their driveway. Public Works does not have an issue with this and recommends approval.

Options & Alternatives:
Discuss whether to approve this request.

Financial Remarks:
The cost of installing signs for this proposed No Parking zone will be \$150 and would be covered by the 2016 B&G Sign Budget (3310.54140).

Executive Action:
The resolution for approving this speed limit change will need to be executed by the Mayor and Clerk after the Council Meeting

Committee Recommendation:
The Buildings and Grounds Committee approved this item at their September 19, 2016 meeting. This item will be under the October 4, 2016 Common Council consent agenda.
