The committee discussed this item and decided to place it on hold until the next meeting and to ask that Ald. Thieme be present at the next meeting and make contact with Carroll University regarding their graduate studies center which borders Davidson Road. Engineering staff was unable to make contact with Carroll University to discuss the item.

A motion was made by E. Payne, seconded by Cummings, that this Discussion and Recommendation be held. The motion carried by the following vote:

Aye: 5 - Jankowski, E. Payne, Cummings, Boyle and C. Payne

- B.** [ID#17-0738](#) Provide a more permanent solution to pavement marking at Racine and Roberta, Endfield Estate Crossing.

Sponsors: Cummings

The committee reviewed and discussed this item. Ald. Cummings indicated that residents were seeking a more visible crosswalk for safety. Staff indicated that City

Garage does maintain the crosswalk and they will paint the lines that are there. Staff also indicated that additional diagonal markings, 12-inch wide can be added to enhance the sidewalk. Since this is a maintenance item, there was no need for the committee to take action on this item. Staff will issue a work order to the garage to repaint and enhance the existing crosswalk markings that are presently there.

This referral was made by Ald. Cummings. Residents have requested better crosswalk marking and ability to cross Racine Avenue at Roberta. An existing crosswalk exists today, but it is faded. At this time, the Department of Public Works will defer to Ald. Cummings and the Committee to discuss the level of improvement to be considered. It should be noted that Racine Avenue, at Roberta is the jurisdiction of Waukesha County and they would have to approve any upgrades. Staff recommends no action on this item or that this item be put on hold for further review.

- C. [ID#17-0875](#) Consider modifying the intersection of Market Pl. and Waterview Ln. to be an All-Way stop.

Sponsors: Manion

The committee reviewed this item. Since staff had recommended to not install the All Way stop and no citizens were present to speak in support of the item, Ald. Manion formally withdrew the item from consideration. With unanimous consent, the committee accepted Ald. Manion's with-drawal of the item. No vote was taken on the item.

- D. [ID#17-0877](#) Please consider adding stop signs on Greenfield Ave. at intersection with Linden St. creating an All-Way stop.

Sponsors: Rodriguez

The committee reviewed this item and Ald. Rodriguez explained the need for the item. Staff had recommended to hold the item until a spot speed study was conducted to see the level of speeding on N. Greenfield Ave. Staff will bring the results of the speed study. The committee unanimously agreed to hold the item as requested from Ald. Rodriguez. No vote was taken.

This item was referred by Ald. Rodriguez. Concerned residents near intersection of Greenfield and Linden have expressed concern about speeding on Greenfield Ave. at Linden St. The traffic at this intersection is busy during the end of school/school bus pick up times at Hadfield School. Other traffic, in the area, attempt to avoid the congestion at the school speed down Greenfield Ave at this intersection. Engineering staff has not been able to conduct a spot speed study on Greenfield Ave to assess the level of speeding. Major construction on Arcadian and school being out soon may delay this review until September.

- E. [ID#17-0878](#) Please consider approving a 3 Ton Truck restriction on Genesee Street from Arcadian Avenue to Anoka Avenue.
