<b>Subject:</b> Review and act on the Two-Party Construction Agreement between Waukesha County and the City of Waukesha for the asphalt repaving of Guthrie Road.	

**Details:**

In the summer of 2022, Waukesha County will be resurfacing Guthrie Road from Woodside Drive to the City of Waukesha Limits (Legend Hills Lane). Waukesha County DPW staff reached out to City DPW staff regarding the possibility of also including the short section of Guthrie Road (Legend Hills Lane to Sunset Dr.) that falls within City jurisdiction into the resurfacing project. After reviewing the current condition of Guthrie Road within the City Limits, this short section is in need of asphalt resurfacing, and would greatly benefit from maintenance work occurring in this construction season. With this section of roadway being a relatively short segment that falls within the City limits, and isolated from other streets needing resurfacing/maintenance work, it would be a great benefit to include this work with the adjacent Waukesha County project.

**Options & Alternatives:**

The Guthrie Road work could not be included in the Waukesha County project in 2022, and maintenance work delayed until a City project is scheduled. This would likely result in a higher cost due to a worsening roadway condition, and an isolated, relatively short segment of work.

**Financial Remarks:**

The estimated cost of this work is \$69,798.00 and would be funded with the resurfacing of asphalt streets CIP account (2006.68290).
