Committee: Plan Commission	Date: Meeting Date September 27, 2023
Common Council Item Number: ID# 23-7523	Date: Meeting Date
Submitted By: Doug Koehler	City Administrator Approval: CA Approval
Finance Department Review: Finance Review	City Attorney's Office Review: Attorney Review
PROJECT TITLE: Fire code updates to the adopted fire codes in Chapter 21 of the municipal code books	

Details:
We are currently using versions of all of the adopted codes listed. The codes have gone through several revision cycles and need to be updated to deal with current technologies. The most significant changes involve store power systems(batteries) and food trucks. There are not any changes that would apply to building sprinklers and fire alarm systems.
