Subject: Approval of Resolution Authorizing the Filing of the Bus and Bus Facilities Grant	

Details:
 This item is to approve the resolution that would authorize the Transit Manager to file the Transit Commission's Federal 2016 Bus and Bus Facilities Grant (5339) with the Federal Transit Administration. This grant will be used to fund the federal share (80%) of replacement security camera systems on five buses, fall protection system for mechanics at the maintenance facility, replacement real time departure signage for the AVL system at the Transit Center and partially fund replacement paratransit software system. These projects were approved in the 2016 budget. A total of \$104,476 in federal funds has been allocated to Waukesha County and the City for 2015.

Options & Alternatives:
 There are no viable alternatives. The 80% federal funds are critical for the purchase of this equipment.

Financial Remarks:
 A total of \$104,476 of federal funds will be available for the projects from this grant and will require \$26,119.00 of matching City funds which was part of the Transit Commission 2016 operating budget. This will give the Transit Commission a total of \$130,595 for these projects.

Executive Recommendation:
 Recommend approval.
