Subject: Bids received for Used Vermeer CT616 Compost Turner

Date: November 21, 2019

After reviewing the bids for (1) used compost turner, I recommend accepting the low bid from Grinder Crusher Screen Inc. for \$86,897.00. I have personally viewed the unit at its current location in Great Bend, Kansas. The unit meets our specifications and is in great condition. I have gone over all the service records for the unit, as well as talked with operator of the machine.
