<b>Subject:</b> Rescind existing April 18, 2006 parking zone that establishes No Parking, Loading Zone, 9am to 5pm, Except, Sundays and Holidays on the south side of South Street from Gaspar Street to driveway at #225.	

**Details:**  
 This item was referred by Public Works. The City is in the process of reconstructing South Street and Gaspar Street. The proposed street improvements will require several existing parking zones to be removed and several new parking zones to be formed.

This item is to rescind a No Parking, Loading zone on South Street. The zone was specifically installed and approved for a catering business on South Street. The new street layout will no longer require special signing for a loading zone in this area. The Department of Public Works recommends removal of this loading and no parking zone designation.

The Committee voted unanimously to approve this item.

<b>Options &amp; Alternatives:</b> None
<b>Financial Remarks:</b> The signs from the old parking zone will be removed by the construction contractor or by City garage staff at no cost.
<b>Executive Action:</b> If approved by Council, the resolution for approving the installation of these signs will need to be executed by the Mayor and Clerk after the Council Meeting.
<b>Committee Recommendation:</b> The Buildings and Grounds Committee approved this item at their April 2, 2018, meeting. This item will appear under the Consent Agenda for the April 17, 2018, Council meeting.
