MEMORANDUM

DATE: April 11, 2017

TO: Dan Duchniak, P.E.

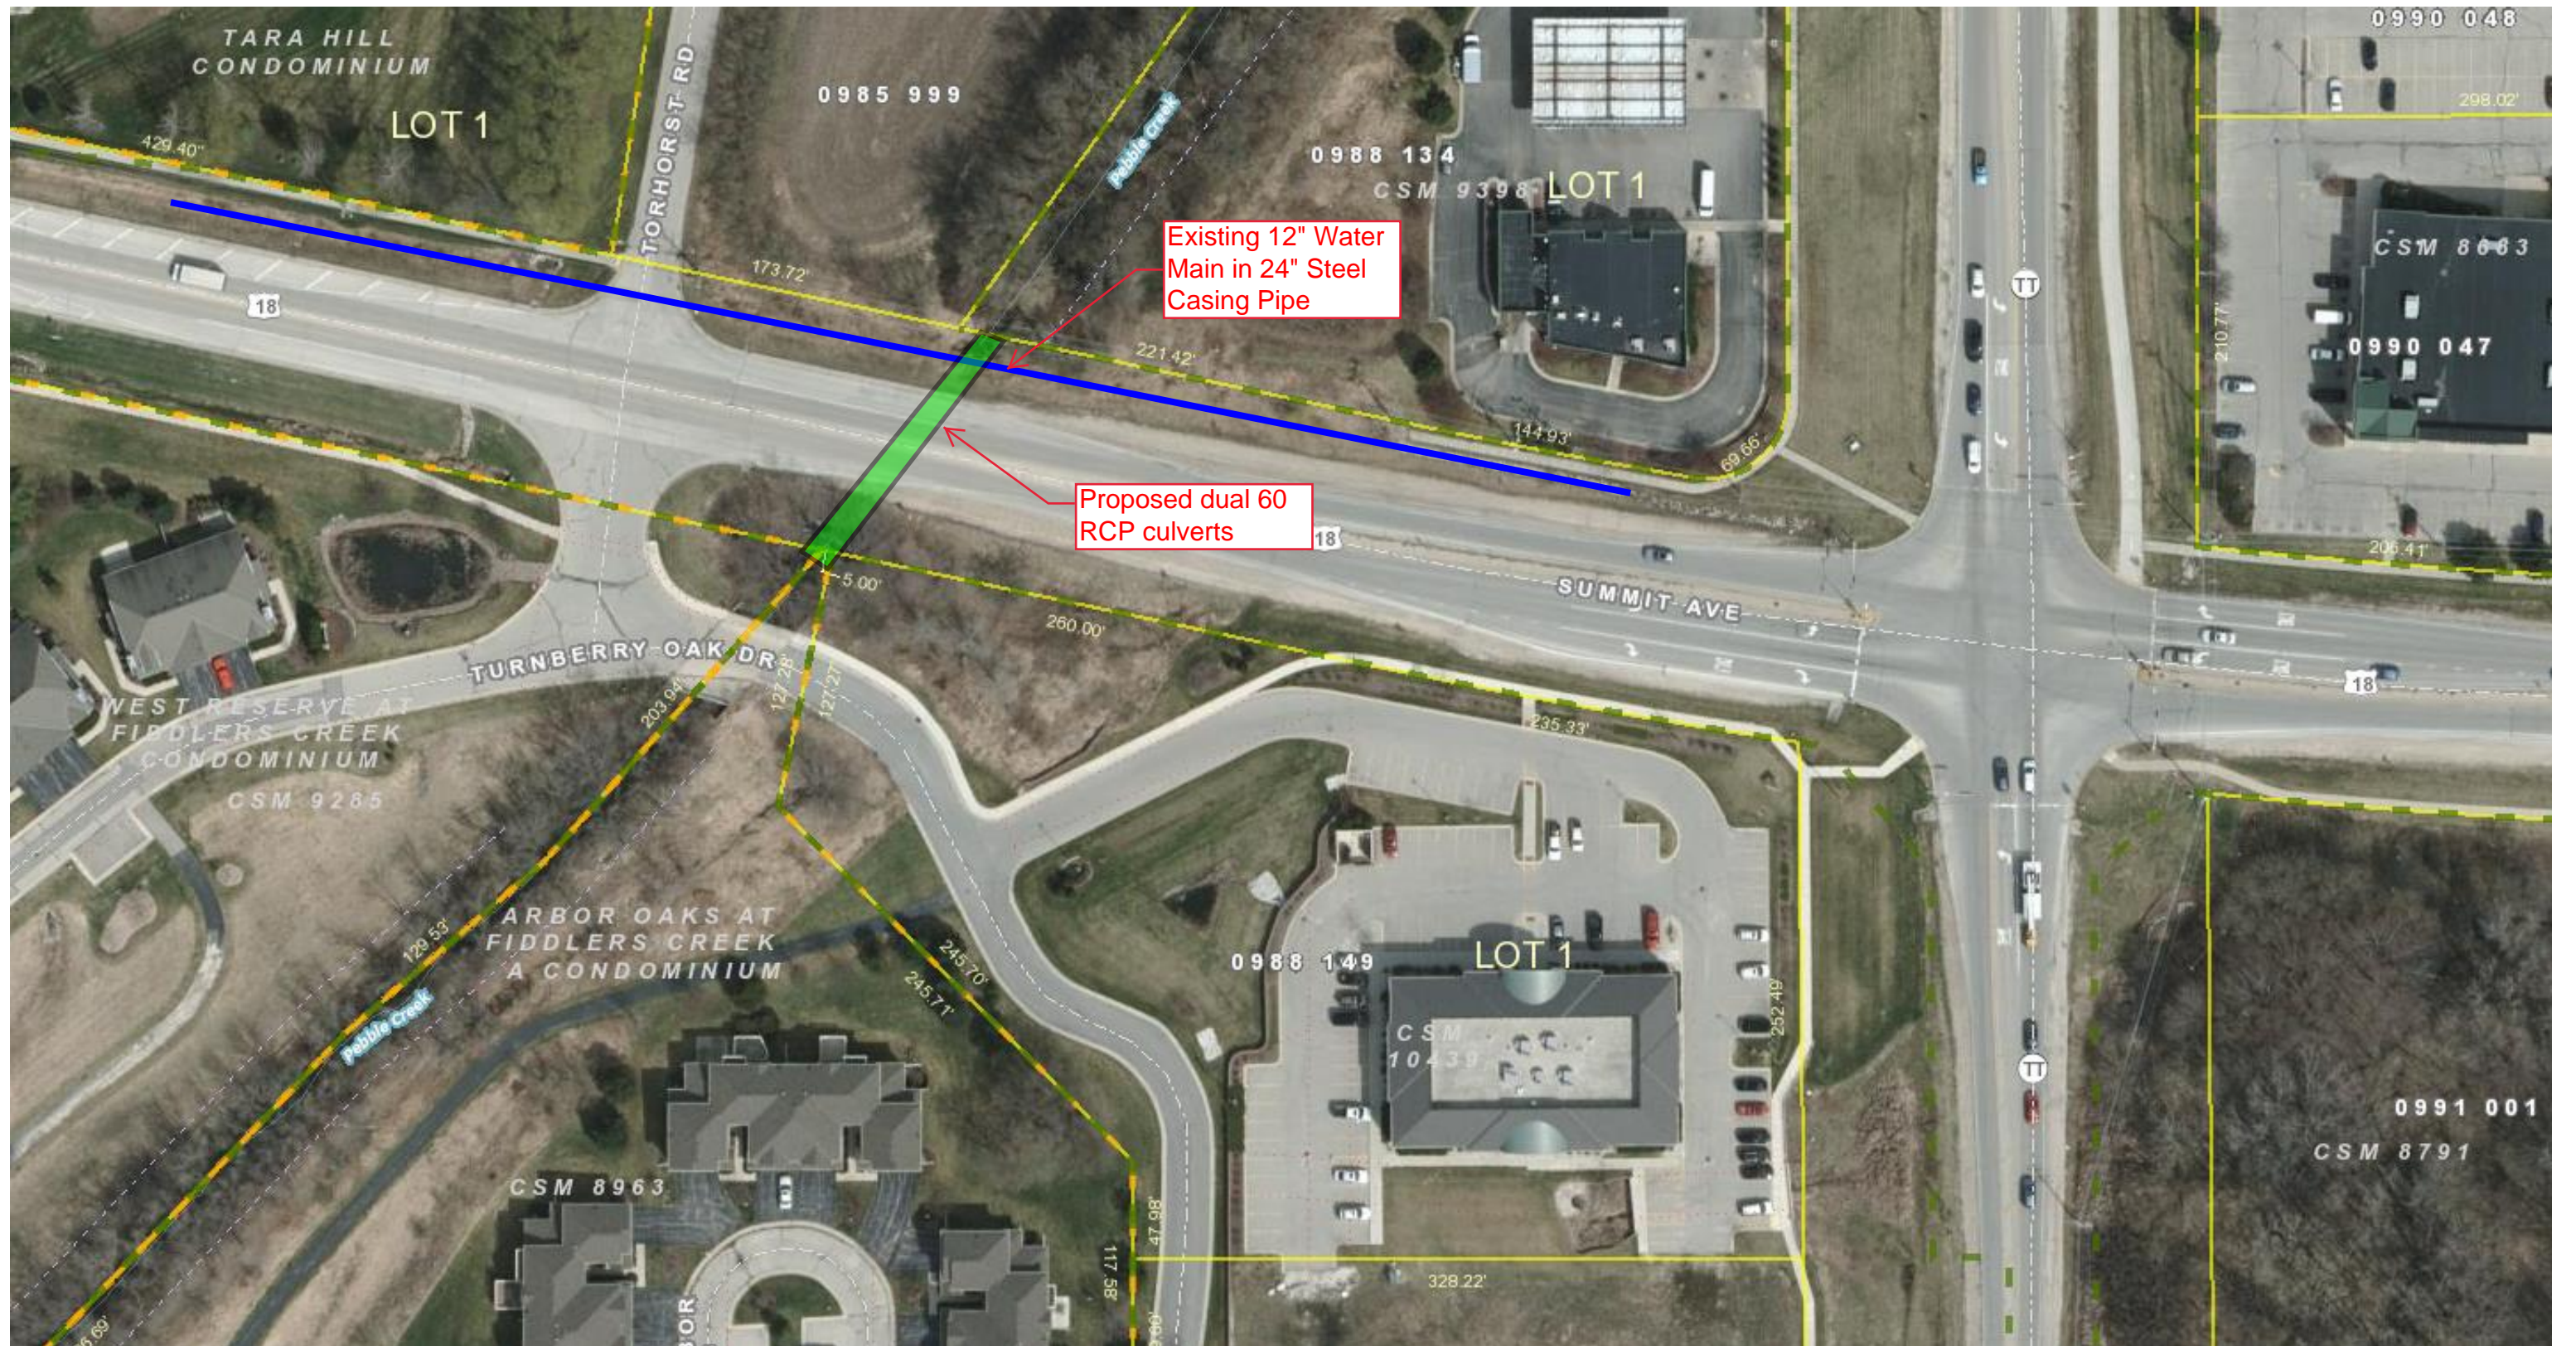

FROM: Chris Walter, P.E.

RE: West Bypass (M00500) Summit & Torhorst Connection Work

This is directly related to the previous agenda item whereas Wisconsin DOT is requiring Waukesha Water Utility to offset (lower) 12-inch water main in the Summit Ave (STH 18) right of way, just east of Torhorst Road.

This memo is to request approval of for the second contractor to dig the pits required for the boring work, test and chlorinate the water main, and re-connect the new water main to the existing one.

Recommended Motion: Move to approve the proposal from Advance Construction, Inc., in the amount of \$19,775 to dig boring pits and make connect the water main at Summit and Torhorst.

Existing 12" Water Main in 24" Steel Casing Pipe

Proposed dual 60" RCP culverts
