Details:

Pursuant to the Human Resources Policy H-8 United Way has submitted an application (required every 5 years) to conduct a campaign with the City of Waukesha. The application was reviewed by the Employee Charitable Giving Committee and found to meet all the requirements of the HR policy.

Options & Alternatives:

The City could choose to not allow United Way to conduct a campaign with City employees

Financial Remarks:

There is no direct cost to the City. It's optional for employees to choose to make a donation to United Way.

Executive Recommendation:

Approval is recommended. The United Way campaign has been run successfully with City employees for many years.
