Hi Fred,

I am writing this email regarding our water bill from 8/20/19-11/20/19. It is \$664.47, much higher than our normal water bill. I would like to appeal and request a sewer credit. Our lawn was installed late September/early October and much of our water bill was due to watering our lawn.

My address is 3575 Howell Oaks Dr. Waukesha. We're in the Howell Oaks Development.

Please confirm receipt and let me know if you need anything from me to start this process.

Thank you!
