Subject: Approval of Elimination of Bus Stops	

Details:
 This item is to seek the approval to eliminate the bus stops listed below. The bus stops at Sunset at Sentry and College at Prairie (south side of street) are proposed for elimination due to low ridership and changes to the road when those roads are reconstructed later this year. The other bus stops are being proposed for elimination due to low ridership and/or other bus stops within a block or two.

Route 5
 School at Prairie (Both sides of street)
 School at Hemit (Both sides of street)
 Burr Oak at Burr Oak Ct (North side of street)
 Oakdale at Les Paul Parkway
 Fox River Parkway at Davis
 School at Haymarket

Route 5 & 5/6
 Sunset at Sentry Drive
 College at Prairie (South side of street)

Route 6 & 5/6
 2142 Kensington
 2147 Kensington

Route 8
 Summit at Sylvan (South side of street)

Options & Alternatives:

The Sunset at Sentry and College and Prairie bus stops have no alternatives due to the changes to the roads they are on. The only alternative for the others is to keep the stops but it is unnecessary to do so as the stops have low ridership and/or have other stops in close proximity.

Financial Remarks:

The cost to remove the bus stops is minimal and long term there is a savings as its fewer bus stops and bus pads to maintain and replace.

Executive Recommendation:

Recommend approval.
