Subject: Downtown Mural, Clock Tower parking lot	

Details:
 The applicant is requesting to place a second mural on the north wall of the property at 916 Clinton Street. The Commission approved moving the existing Carroll University mural from the side wall of Main Street Plaza in 2017 to accommodate the construction of the new Clearpoint Apartment building. The other mural that was on that wall had a Pro Health Care image on it but was not relocated. The applicant is having the mural painted over with new artwork that highlights some of the great events in downtown Waukesha (Friday Night Live, Farmers Market, and the Art Crawls). The mural canvass is the same size as the Carroll Mural and will be placed next to it on the wall.

The Public Art Committee has approved the mural and the location.

Options & Alternatives:
 The Plan Commission could add any conditions they feel necessary

Staff Recommendation:
