RE: Justice Assistance Grant – FY 2022 Local Solicitation

Dear Ald. Pieper,

The Police Department will be applying for the above grant. This application is an extension of a similar grant that the Department has applied for and received for a number of years. In previous years, the grant was basically extended from one year to the next but this year the Department of Justice is requiring an application.

The total amount of this grant is \$10,005.00 with no matching funds being required.

The provisions of this grant require that a portion be shared with the Waukesha County Sheriff's Department. In compliance with this provision, the amount of \$4,502.50 will be forwarded to the Sheriff's Department upon their request. The City of Waukesha will be the fiscal agent in respect to applying for this grant as well as complying with the reporting requirements of the grant.

Attached is a signed Memorandum of Understanding with Waukesha County as well as a breakdown of the anticipated expenditures for these grant funds.

A department representative will be present at your committee meeting on to answer any questions. Your consideration in this matter is appreciated.

Sincerely,

DANIEL THOMPSON
CHIEF OF POLICE
