MEMORANDUM

DATE: July 16, 2026

TO: Waukesha Water Utility Commission

FROM: Mat Kadrich
Construction Manager

RE: Luke, Born, and Walton Water Main Relay

The bids for the Luke, Born, and Walton water main relays were opened at 11am on Friday June 26, 2026. There were three (3) bidders which are shown in the table below. This project was approved by the Board of Public works meeting on Thursday July 9, 2026. Action by the Common Council is scheduled to occur at their meeting on Tuesday July 21, 2026, if approved by the Water Utility Commission.

Contractor	Water Main Items Bid Total	Overall Bid Total
Musson Bros. Inc. 1522 Pearl St. Waukesha, WI 53186	\$936,688.75	\$1,418,655.50
Wandel Contractors 17080 Pheasant Dr Brookfield, WI 53005	\$949,596.15	\$1,519,045.25
LaLonde Contractors, Inc. 1609 Lincoln Ave. Waukesha, WI 53186	\$967,511.84	\$1,534,091.11

This project was brought to you in March as a discussion item because of the repeated failures on Luke Street. While this was not part of the 2026 budget, there are excess funds available from the 2026 resurfacing project that can be used to complete the project.

Recommended Motion: Move to approve the water main replacement unit price contract and 1% City administration fee totaling \$946,055.64 for the Waukesha Water Utility's portion of the City of Waukesha Public Works contract with Musson Brothers, Inc. for the Luke, Born, and Walton reconstruction project.
