This is the Committee's final review of the Operating Budget. Kevin Lahner spoke regarding the health insurance fund and the increase in our insurance rates for this year and how it is impacting the budget. Mr. Lahner pointed out that in the last four years we have added to our health insurance fund for a net positive; our amount contributed to the fund exceeded the amount paid out in claims. This year and next year we are projecting deficits; it's not a major concern at this time but they are addressing this issue by increasing rates and changing the health insurance plan incrementally to address the issue. An eye will be kept on this for the next couple of years; plan design and how to keep the costs down will be looked at going forward.

Mr. Lahner said the Library is working on increasing contributions to their Endowment Fund.

- E. [ID#19-1308](#) Review and act on a recommendation by the Finance Committee to the City Council to adopt the 2020 Operating Budget.

No other Council members have contacted him regarding amendments.
