Subject: Approve No Overnight Parking, November 1 to April 1 on the north side of Fountain Avenue from S. Grand Avenue to S. East Avenue.	

Details:
This item was referred by Public Works with endorsement from the Fire Department and Ald. Skinner. During winter months, this street becomes very narrow with snow build up. A recent fire call was made to this street and the fire department could not make it to the resident with their vehicle. The issue is overnight parked vehicles are not moved in time to affectively clear the snow. This item would prohibit overnight parking in on the north side of this street during November to April.

The Building and Grounds Committee voted unanimously to approve this item.

Options & Alternatives:
None considered.

Financial Remarks:
If approved, it would cost \$300 to change out the signs. This would come out of the 2019 Building and Grounds Sign Budget (3310.54140).

Executive Action:
The Department of Public Works recommends approval of this item.

Committee Recommendation:
The Building and Grounds Committee approved this item at their March 4, 2019, meeting. This item will appear under the Consent Agenda for the March 19, 2019, Council meeting.
