To: Mayor and City Council
CC: Department Directors
From: Kevin Lahner, City Administrator
Subject: 2018 Executive Budget Summary
Date: September 8, 2017

Dear Honorable Mayor Shawn Reilly and Members of the City Council:

The proposed 2018 budget represents a tremendous amount of work by a considerable portion of our team. As I have stated in past years, while we will spend the next few months politely debating dollar figures of various amounts, the 2018 Budget Document is truly a policy document. It is a representation of the values of our community as expressed by our City Leaders. The values are expressed in terms of the amount of resources we have committed to our programs, departments and personnel.

Budget Values

The Common Council has again expressed a strong desire to maintain and enhance our public safety program as well as commit additional resources to economic development and maintaining our community character. On the capital side, we are also continuing our robust infrastructure replacement program and discussing the future of our City Hall. The 2018 budget reflects those priorities and addresses critical needs. We are also continuing our conservative budget approach to enhance our unreserved fund balance and keep expenditures under control. Fortunately, economic growth has allowed for slight increases in both the Expenditure Restraint Cap and Levy Limit restrictions. The lift in both these caps allows for slight growth within our budget, primarily focused on retaining our employees.

Public Safety - We are continuing to phase in additional Community Service Officers (CSO). The proposed budget includes two more Community Service Officers, adding to the two that were included in 2017. The Community Service Officers offer great services at a low cost, and act as a recruitment tool for future police officers.

During Fiscal Year 2018, the new Fire Station #3 will be complete, allowing us to more quickly respond to our fastest growing areas of the City. The budget also includes replacing one ambulance and small increases in ambulance fees that align with our soft collection policy for residents.

Both the Fire Department and Police Union three-year contracts are effective January 1, 2016 through December 31, 2018. Both contracts offer fair and equitable pay rates, while ensuring that the public safety employees are paying for their fair share of the Wisconsin Retirement System pension contribution and health insurance premiums. We will begin negotiations on a new three-year contract in 2018.

Economic Development – The budget reflects our participation in the new Waukesha County Center for Growth. I currently serve on the Center for Growth Board, and have been actively involved in discussions related to recruitment and retention of Waukesha businesses. Additionally, the Center for Growth is starting a collaborative loan fund to assist with future economic development. We are also continuing our partnerships in Downtown Waukesha as we implement the next phase

of our Downtown branding effort and support a multitude of special events that add to our quality of life. Lastly, we will continue to explore the use of Tax Increment Financing Districts to promote economic growth in the appropriate areas.

Infrastructure Needs – We are again proposing an aggressive Community Investment Program (CIP) to address our road, wastewater and storm sewer systems. More than \$7.2 million are committed to our roads and related infrastructure. Included in this year’s program is the first phase of the Northview Road project, which starts at our eastern City Limits and continues to Tallgrass Boulevard. Other streets on tap for this year include Fairview Avenue, and Motor Avenue. We are continuing with our flood mitigation program, which identified more than \$60 million in needed enhancements to our storm sewer and water infiltration systems. In 2018, approximately \$1.2 million is being committed to storm sewer improvements in the areas of Lawndale Avenue and Hine Avenue.

On the Wastewater side, we continue to improve our sewer collection system and plan to invest \$12.75 million in 2018. We have already made significant upgrades to our Wastewater Treatment Plan in anticipation of the addition of Lake Michigan water. We are also continuing a robust maintenance program for our sanitary sewer collection systems, including rehabbing aging pipes and refurbishing pump stations.

Retaining a Quality Workforce - Notable items in the Operating Budget include a 2.5 percent wage increase for all employees. This is the beginning of our pay-for-performance program which will begin implementation on January 1, 2018. We continue to see great success with the joint City/County/School District Employee Wellness Center, offering low-cost health care options to our employees, while also reducing our health insurance claims costs.

We are also proposing the addition of two employees. The Library is proposing an additional positing which will be partially funded by the Waukesha School District, and Community Development is proposing adding an additional associate planner/code enforcement officer. The Community Development position aligns with the council’s priorities related to improving and enhancing our neighborhoods.

Expenditure Restraint Program Challenges

The Expenditure Restraint Program provides the City with approximately \$1.9 million if we limit budgeted expenditure growth to an amount that is equal to the previous year’s budgeted expenditures plus an inflation and valuation factor. The inflation factor equals the average annual percentage change in the U.S. consumer price index for all urban consumers as determined by the U. S. Department of Labor for the 12-month period from October 1 to September 30 prior to the year for which the municipal budget is determined. The valuation factor equals 60% of the percentage change in the municipality’s equalized value due to net new construction (new improvements minus improvements removed), but no more than 2% and no less than 0%.

This year, the Expenditure Restraint program will allow expenditures for the City to rise 2.7 percent. The increase is due to new economic growth in our area as both the CPI and net new construction have increased over last year. The proposed budget falls below both the ERP and state-imposed Levy Limit caps.

The result is that the budget will result in a tax decrease on the average home, valued at \$188,600. The tax bill on the average home will see a reduction of \$37.54, if the proposed budget is adopted.

Budget Book Enhancements

Lastly, we are continuing to make improvements to our electronic Budget Book. This year we have established an interactive table of contents as well as indexing and buttons that will return the user to the Table of Contents. We have again improved upon our budgetary reports. There are also useful statistics and tables in the front of the book that can help the public and Common Council identify trends.

The budget represents months of hard work by our senior leadership staff and the Budget Team. Some special thanks goes out to all the employees who have played a part in the creation of the budget submittal. We look forward to presenting the budget to the Finance Committee and Common Council and engaging in a significant discussion around the City of Waukesha's values and priorities.

Sincerely,

Kevin M. Lahner
City Administrator

DEBT SERVICE FUNDS

Debt Service funds are set up to account for the accumulation of resources used for the payment of principal and interest on all "general obligation debt", other than that serviced by Enterprise Funds. Debt Service Funds are typically used for capital projects, equipment and fleet, as described in the City of Waukesha Community Investment Program.

ENTERPRISE FUNDS

An enterprise fund is a fund that is established to account for operations of the City that are financed and operated in a manner similar to private business enterprises – where the intent is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or sales. Enterprise Funds at the City of Waukesha are the following:

- Parking Utility
- Clean Water Plant
- Prairie Home Cemetery
- Waukesha Transit System
