<b>Subject:</b> Waukesha County Transit Business-Approval of Amendment to Purchase Service Agreement with Wisconsin Coach Lines, Inc. to Operate Routes 901, 904 and 905	

**Details:**  
 This is a Waukesha County Transit Business item. It is to approve an amendment to the Wisconsin Coach Lines purchase service agreement to operate Routes 901, 904 and 905. This is an amendment to continue the Zoo Interchange Mitigation service paid for by the Wisconsin Department of Transportation (WisDOT) that was started in January of this year. The current agreement expires 12/31/15 and this amendment extends the additional service from 1/1/16 to 5/31/17. WisDOT and Waukesha County have agreed to continue the mitigation service through 2017 which is when the major construction of the Zoo Interchange is expected to end. This amendment, however, will extend only to 5/31/17 because that is when the current purchase service contract with Wisconsin Coach Lines to operate Routes 901, 904 and 905 expires. The City and County will not incur any costs with this amendment. All additional services are paid by WisDOT.

**Options & Alternatives:**  
 No viable alternatives.

**Financial Remarks:**  
 As stated above, there is no financial impact on the City or County. All additional services are paid by WisDOT.

**Executive Recommendation:**  
 Recommend approval.
