Meeting Agenda - Final with recommendation:

Building and Grounds

Monday, April 4, 2016

7:00 PM

Council Chambers, City Hall
Use lower level glass door.

1. Call to Order

2. Approval of Minutes

A. [ID#16-0546](#) Approve the February 29, 2016 Buildings & Grounds Meeting Minutes

Attachments: [Building and Grounds Minutes 02-29-2016 - DRAFT](#)

3. Discussion and Recommendation re:

A. [ID#16-459](#) Approval of the closing of the Riverfront Plaza Parking Lot No. 1 for parade routes the Memorial Day Parade on May 30, 2016 and for the Independence Day Parade on July 4, 2016 due to Main Street being closed

Recommendation: Referral was made by Public Works on behalf of the Mayor. Due to the construction project on W. Main Street, the Memorial Day parade and July 4th parade routes will need to be changed to go around the construction. The proposal is to close River Front Plaza (Lot 1) parking lot during the parades to allow the parade route along this parking lot. Both parade dates are on a Monday. Staff recommends approval of this request.

Sponsors: Public Works

B. [ID#16-496](#) Approval of two 30 minute parking spaces at 271 W. Main St.

Recommendation: Referral was made by Ald. Helgestad on behalf of business owners on W. Main Street near E. Broadway. Due to the construction project, some business owners would like to have two stalls designated as 30 minute stalls to allow for more turn over. Said businesses operate on quick turn around times for customers. Since W. Main Street will be under construction and no parking is allowed during construction, an alternative is to temporarily designate two stalls on E. Broadway to be 30 minute. Staff recommends denial of this request.

Sponsors: Helgestad

- F. [ID#16-495](#) Approval to upgrade We Energy lighting at the intersection of Cambridge Ave. and Erin Lane.

Recommendation: Referral was made by Ald. Payne. Local residents have been requesting an increase in lighting at this intersection. The existing light pole is 100 Watt and the request is to increase the wattage to 150 watts. The cost of upgrading the lighting to 150 W. is an additional \$2.23 per month and would be paid for out of the lighting electrical use account No. 3420.5220. Staff recommends approval of this request.

Sponsors: E. Payne
