- F. [ID#23-7329](#) After our meeting Tuesday night I went over to Jim's house at 516 Cambridge Ave and spoke to him. He lives on the corner, and apparently there was an accident due to speed. He would like two stop signs put up making the intersection a three-way stop. There is already a stop sign on Rawlings facing North, stopping the southbound traffic. We are not concerned with the traffic coming from the South because that is a court. We would just like to have a stop sign put up on Cambridge for the cars heading eastbound and the cars heading westbound. That would make Rawlings/Cambridge a three-way stop. I checked and did not find another stop sign on Cambridge Ave. close to this intersection.
