

Hello Mayor Reilly and Member of the Waukesha Common Council,

Thank you for your consideration as member of the Redevelopment Authority of the City of Waukesha. If appointed, I will utilize my experiences and skills towards being a proactive and diligent member of the Committee.

Over the last 30 years, I have tried my best to be a positive and proactive member of the City of Waukesha community. Whether as a Legislative Assistant representing the City in the 28th Senate District, Alderperson for 5 years, Library Board Trustee for 10 years, Housing Authority Commissioner for 17 years and Water Utility Commissioner for 10 years, I have always worked to put the best interests of the Waukesha Citizens first. There have been successes and challenges over the years, but I am very pleased as to where we are at as a community. As a Redevelopment Authority member, I am excited to be part of the efforts to continue the revitalization of our amazing downtown and beyond.

As a real estate professional working in the utility infrastructure sector these past 26 years, I'm confident I can put my background and experience to use on the Redevelopment Authority. As mentioned, this is a very exciting time for this community with multiple public and private efforts planned or underway to improve our community. I very much appreciate your consideration and if appointed, will work hard to continue these efforts.

Thank you!
