Change the regulatory powers from the Department of Public Works to the Board of Public Works (Section 13). The original motion was amended by Pieper to include this.

Other items for Staff to consider:

More specifically define Rooming Houses and their related eligibility for services (the committee advised large rooming houses above 4 rooms are NOT eligible for services) (Sections 2 and 3).

Provide the list of larger apartments and rooming houses (over 4 units or rooms) which were notified earlier this year that they were discovered as not eligible for solid waste and/or recycling services, per existing city policy.

A motion was made by Pieper, seconded by Chairperson Johnson, that New Garbage and Recycling Ordinance be approved. Ald. Piper amended the original motion to change the regulatory powers referred to in the Ordinance from the Department of Public Works to the Board of Public Works.
