Surrounding Community Backing

The Fischer Creative Arts Center is in the process of acquiring occupancy for the use to create a community center. We plan to have a Malt Shop, As well as a Banquette Hall, and a all purpose community room. We plan to have events that would be family friendly for all ages such as Holliday Party's, Plays, Movie Night, Concerts, Senior Events, Art Craft Shows, Flee Markets, As well as Charity Events. We are asking our fellow surrounding neighbors for their support in bringing this community together and because this will be family friendly, we will not be severing alcohol on the premises.

Please sign to show your support of reaching our goal.
