Subject: Review and act on the revised Two-Party State Municipal Agreement between the City of Waukesha and the Wisconsin Department of Transportation for the E. Moreland Blvd. Bridge project, WisDOT Project ID: 2718-00-73.	

Details:
 In 2022, the City of Waukesha was awarded funding from WisDOT for the rehabilitation of the EB E. Moreland Blvd. Bridge rehabilitation. On Tuesday May 14, 2024 the project bid through WisDOT and the total was above the previously approved SMA. The City requested additional funding through WisDOT which was approved. The funding is an 80/20 split (Federal/City) for eligible project costs. The previous SMA total cost was is \$675,800 (\$356,640 Federal, \$319,160 City). The revised SMA total is \$710,860 (\$393,760 Federal, \$317,100 City).

Options & Alternatives:
 Not approving the SMA (3rd revision) would prohibit the WisDOT project from proceeding and the approved grant funding would be re-allocated to non-City of Waukesha projects.

Financial Remarks:
 The City's cost share of this project is budgeted within the 2024 CIP. The revised SMA total is \$710,860 (\$393,760 Federal, \$317,100 City).

Executive Recommendation:
 Recommend approval of the State Municipal Agreement (3rd Revision) between the City of Waukesha and the Wisconsin Department of Transportation for the E. Moreland Blvd. Bridge project, WisDOT Project ID: 2718-00-03/73 & 2718-00-08/78.
