<b>Subject:</b> Approval of Resolution Authorizing the Filing of a 2018 Congestion Mitigation Air Quality Federal Grant to Fund Paratransit Buses	

**Details:**  
 This item is to approve the resolution that would authorize the Transit Manager to file another Congestion Mitigation Air Quality (CMAQ) for the Transit Commission for 2018. The grant filing will provide 80% of the capital funds for the replacement of five paratransit vehicles approved in the 2019-2023 CIP. The CMAQ funds available for paratransit vehicle replacements totals \$800,000. There will likely be a balance of these CMAQ funds after the purchase of the paratransit vehicles. This balance would then be used to partially fund the replacement of future fixed route buses.

**Options & Alternatives:**  
 There are no viable alternatives. The federal funds at an 80% matching level is critical for capital projects.

**Financial Remarks:**  
 The \$800,000 of CMAQ funds will fund 80% of the cost of the replacement of five paratransit vehicles authorized in the 2019-2023 CIP.

**Executive Recommendation:**  
 Recommend approval.
