### Summary of Proposed Service Changes Effective 4/1/19

Route 6 – Reduce trips to West High School from four to two a day. The 7:40 am and 4:10 pm Route 6 trips would no longer serve West High. In addition, eliminate the bus stops listed below that have very low to no ridership and have other bus stops in close proximity.

#### Route 9

Eliminate the Outbound Route 9 (Transit Center to WCTC) service to the Easter Seals facility on Airport Rd. as Easter Seals is planning to close the facility by the end of March. This would also eliminate the bus stops along Airport Rd. (listed below) and the bus shelter by the Easter Seals facility. The two trips affected would then follow the regular Outbound weekday routing.

Eliminate service on Pebble Valley Road south of Woodburn Rd. and Northview Rd. west of Grandview Blvd. for the Inbound trip (WCTC to the Transit Center). This would also eliminate the bus stops in the affected area (listed below). The routing for all inbound trips in this area would then be Pebble Valley south to Woodburn Rd. east to Grandview Blvd. and south on Grandview Blvd. to Northview Rd. This is the routing used for three weekday afternoon trips.
