Subject: Establish No Parking Any Time on the south side of E. St. Paul Avenue from 770 feet west of E. Moreland Blvd. to the corner of E. Moreland Blvd.	

Details:
This referral was made by Public Works. Referring to previous item ID#17-0370 and 0371, the rescinding of an existing zone and establishment of a new loading zone will leave a 200 foot section remaining as open parking. The buildings on the south side of the road in this location are all owned by Metal Tek and have parking lots. Therefore, on street parking is not needed. Due to safety concerns, the department would prefer that this area also be signed No Parking Any Time.

The committee voted unanimously to approve this item.

Options & Alternatives: None

Financial Remarks:
The cost of installing these No Parking signs will be about \$150 total and will be covered by the 2017 B&G Sign Budget (3310.54140).

Executive Action:
If approved by Council, the resolution for approving the installation of these signs will need to be executed by the Mayor and Clerk after the Council Meeting.

Committee Recommendation:
The Buildings and Grounds Committee approved this item at their March 20, 2017 meeting. This item will appear under the Consent Agenda for the April 06, 2017 council meeting.
