Subject: Rescind the existing 2 Hour parking zone on the south side of E. St. Paul Avenue from 475 east of Albert Street to 770 feet west of E. Moreland Blvd.	

Details:
This referral was made by Ald. Payne. The request is remove an existing 2 hour parking zone on the south side of E. St. Paul Avenue adjacent to the Metal Tek factory. The result is to sign and create an area for loading / unloading for Metal Tek trucks in the same spot.

The Department of Public Works does not have any issue with removing this 2 hour parking zone as long as it is replaced with a similar restriction and does not revert to open parking. Committee voted unanimously to approve this item.

Options & Alternatives: None

Financial Remarks:
The cost of removing old signs is staff time.

Executive Action:
If approved by Council, the resolution for approving the installation of these signs will need to be executed by the Mayor and Clerk after the Council Meeting.

Committee Recommendation:
The Buildings and Grounds Committee approved this item at their March 20, 2017 meeting. This item will appear under the Consent Agenda for the April 06, 2017 council meeting.
