Subject: Modify existing No Parking 8am – 4pm, Monday - Friday on the north side of Dolphin Drive to be from the west driveway to the east driveway of 1814 Dolphin Drive.	

Details:
Referral was made by Public Work on behalf of a business owner at 1815 Dolphin Drive. The business owner at 1815 has issues with semi trucks not being able to back in or pull out of their driveway during the day when cars are parked along the north side of Dolphin Drive at 1814 Dolphin. There is an existing No Parking zone along north side of Dolphin Drive from the west driveway of 1814 to 150 feet east. This request will extend the parking zone further east to be at the east driveway to 1814 Dolphin Drive. The extra distance will keep parked cars clear of the driveway and allow for greater clearance for semi trucks to maneuver. Staff supports this change and recommends approval.

Options & Alternatives:
Discuss whether to approve this request.

Financial Remarks:
The cost of installing signing related to this parking change will be \$150 and would be covered by the 2016 B&G Sign Budget (3310.54140).

Executive Action:

Committee Recommendation:
