MEMORANDUM

Date: February 12, 2026
To: Water Commission
From: Mat Kadrich
Re: Approve 2026 Materials Purchases

Requests for quotations for purchase of 2026 inventory and repair parts were received from Ferguson and Core & Main on February 2, 2026.

Both Ferguson and Core & Main will hold pricing until we place the order after approval from the Commission. Pricing has increased from last year's purchases but is very competitive between the two suppliers. We have reviewed the quotes and, as in years past, we are proposing splitting the items between the two firms keeping like items together.

Funds for material purchases will be taken from Accounts #3431, 3451, 3481, 6730, 6750 and 6770. The budgeted amount in these accounts for material purchases totals \$330,000. These materials will allow us to continue our focus on system maintenance.

Recommended Motion: Move to approve the purchase of materials in the amount of \$152,961.62 from Ferguson and \$153,522.09 from Core & Main for a total of \$306,483.71.
